**Madewell Brown** Rick Collignon, 2009 As recorded in Rick Collignon's second novel, *Perdido*, a tall black man with one arm longer than the other walked into Guadalupe, New Mexico one morning about 50 years ago, stayed pretty much to himself for seven years, and then walked back out of town. No one knew who he was or what became of him. Now, as his last act, an old man named Ruffino Trujillo tells his grown son Cipriano a story about what became of the black man. After Ruffino's death, Cipriano discovers an old canvas bag bearing the name of Madewell Brown. Inside are a hand-carved doll, an old blanket, an unlabeled photo of a Negro League baseball team, and a small, yellowing envelope that was never posted. Thinking it the least he can do, Cipriano mails the letter. When it arrives in Cairo, Illinois, it comes into the hands of a young woman named Rachael, who believes it is from her lost grandfather.

Thinking it the least he can do, Cipriano mails the letter. When it arrives in Cairo, Illinois, it comes into the hands of a young woman named Rachael, who believes it is from her lost grandfather. She believes this because of all that she's been told by the raggedy old man who taught her everything: Obie Poole, who was Madewell's friend and the orphaned Rachael's anchor, the man who gives this eloquent novel its authentic sense of history lived. Drawn magically forward on Rick Collignon's direct and haunting prose, we follow Rachael to Guadalupe in search of her own identity and we watch as Cipriano tries to make sense of the story his father told him about a dead man who didn't belong there. This fourth installment in Collignon's beloved Guadalupe series is as magical as its predecessors, as emotionally honest, as surprising — and it firmly establishes Rick Collignon as a master American storyteller.

**Who Do You Say That I Am?** Cheryl Madewell, 2017-10-13 Stories are like diamonds with many facets that shine as you turn them in the radiant light. *Who Do You Say That I Am?* looks at some of the hidden stories in the Gospels. A humble

harlot interrupts the politicians wife who prides herself on beauty and prestige. There is a nosey neighbor who watches a broken woman go to the well each day. A worrier is fed with five thousand others. The mother-in-law of a disciple is healed. Each of the sixteen stories looks at a woman who encounters Jesus and her life is changed.

Selling Through Relationships Katrina Madewell, 2020-11-18 Stop struggling and build a business you love today! Think about it: that first meeting with a new customer is a careful dance where both parties are trying to decide whether this will be a match or not. Like dating, finding the right customer is about knowing what traits mesh well with your own. Having a clear vision of who your ideal customer is and continually investing in those connections, instead of constantly pursuing the next new customer avoids those messy breakups with customers. Communication is the key to success in any business, marriage or relationship. The best business people in the world build their networks and customer base through relationships, not constant cold calling. They invest their time and energy with integrity, honesty, great communication, and insightful listening, all while really getting to know their customers. If you're in sales, business, or just thinking of a career in sales, this book is for you. If you're tired of cold calling, or don't see how to get out of the rat race with the day-to-day prospecting of strangers (only to be rejected) and prefer to build a powerful, highly referred, and trusted business, *Selling Through Relationships* gives you that blueprint for success.

You'll find out which sign you're compatible with, how the universe impacts your approach to love, wealth, creativity and careers, and ultimately learn to take cosmic control of your universe.

Rights of the Accused Terry Madewell,2012-05-25 Rights of The Accused is the first installment of the series RIGHTS OF THE ACCUSED. The booklet deals with a person's RIGHTS when arrested for a crime that person may or may not have committed, and the underlying tactics used to get a person to plead guilty to the crime.

*Made Well* Jenny Simmons,2016-10-04 Finding Wholeness through Tears, Joys, and the Everyday From the woman fighting cancer to the man who has lost his child to the girl sinking into depression, so many of us are engaged in daily battles as we long for healing. When he walked the earth, Jesus said to an unwell man, Do you want to be made well? His invitation stretched beyond physical healing--he sought to restore the soul. The same invitation stands for us today. For anyone struggling on the journey toward wholeness, singer/songwriter Jenny Simmons offers a resting place and a friend along the way. With personal insight into emotional pain, she invites readers to encounter a God who is working out their restoration--often in surprising half-baked ways. Her humorous and inspirational prose lights a path toward wholeness. Anyone trying to find their way to spiritual, mental, and emotional healing will benefit from Jenny's vulnerable and compassionate stories of being made well in the midst of a messy life.
